A	Technical sheet / Datos técnicos:							A																																																																					
	Part number adaptable to / Referencia adaptable a					4640070100																																																																							
	Operating pressure / Presión de trabajo					max. 11 bar																																																																							
	Permissible medium / Medio de funcionamiento					Air / Aire																																																																							
	Operating temperature range / Rango de temperatura					-40 °C to / a +80 °C																																																																							
B	Weight / Peso					390 gr		B																																																																					
	 																																																																												
									<table border="1"> <thead> <tr> <th>Port / Conexión</th> <th>Function / Función</th> <th>Thread / Rosca</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Supply / Alimentación</td> <td>M10x1</td> </tr> <tr> <td>2</td> <td>Delivery / Salida</td> <td>M10x1</td> </tr> <tr> <td>3</td> <td>Exhaust / Escape</td> <td>-</td> </tr> </tbody> </table>							Port / Conexión	Function / Función	Thread / Rosca	1	Supply / Alimentación	M10x1	2	Delivery / Salida	M10x1	3	Exhaust / Escape	-																																																		
Port / Conexión	Function / Función	Thread / Rosca																																																																											
1	Supply / Alimentación	M10x1																																																																											
2	Delivery / Salida	M10x1																																																																											
3	Exhaust / Escape	-																																																																											
D	Purpose / Propósito: The cabin leveling valve ensures that the height of the cabin is suitable for driving comfort. / La válvula niveladora de cabina se encarga de que la altura de la cabina sea adecuada para asegurar el confort de la conducción.							D																																																																					
	Installation requirements / Requisitos para la instalación: The levelling valve is fastened to the chassis using two screws M8. / La válvula niveladora se sujetará al chasis del camión por medio de dos tornillos M8.
