A		Technical sheet / Datos técnicos:						A																																																																																	
		Part number adaptable to / Referencia adaptable a				4342080350																																																																																			
		Working pressure / Presión de trabajo				max 10 bar																																																																																			
		Permissible medium / Medio de funcionamiento				Air / Aire																																																																																			
		Operating temperature range / Rango de temperatura				-40 °C to / a +80 °C																																																																																			
		Weight / Peso				150 gr

12	Supply / Alimentación	M16x1.5																																																																																							
2	Delivery / Salida	M16x1.5																																																																																							
		Purpose / Propósito: Differential protection of the outlet pressure depending on the maximum pressure in the supply ports. / Protección diferencial de la presión de salida dependiendo de la máxima presión en las bocas de alimentación. Installation requirements / Requisitos para la instalación: A hole is available for Screw M8. The working position is unimportant. / Se dispone de un orificio para tornillo M8. La posición de trabajo es indiferente.						E
