A	Technical Sheet / Datos Técnicos:																																																																					
B	Part number adaptable to / Referencia adaptable a:		LA 8036																																																																			
	Safety valve pressure / Presión válvula de seguridad:		15.5 bar																																																																			
	Unloader / Regulador de presión:		Integrated / Integrado																																																																			
	Cut-out pressure / Presión de corte:		12.5±0.3 bar																																																																			
	Heating / Calentador:		-																																																																			
	Permissible Medium / Medio de funcionamiento:		Air / Aire																																																																			
	Operating temperature range / Rango de temperatura:		- 40°C a / to +80°C																																																																			
	Cut-in temperature / Temperatura de cierre:		-																																																																			
Cut-off temperature / Ajuste de la temperatura:		-																																																																				
Weight / Peso:		2721 gr

Port / Conexión	Function / Función	Thread / Rosca																																																																				
1	From the compressor / Proveniente del compresor	M22x1,5																																																																				
21	To the reservoirs / A los calderines	M22x1,5 VOSS																																																																				
3	Exhaust for compressed air / Escape de aire comprimido	-																																																																				
6	Heating / Calentador	-																																																																				
E	Purpose / Finalidad: Drying of the compressed air supplied by the compressor. / Secado del aire comprimido procedente del compresor. Installation / Instalación: Exhaust (3) must look down. / El escape de aire (3) debe estar orientado hacia abajo.
