

	1	2	3	4																																			
A	Technical sheet / Datos técnicos:																																						
B	Part number adaptable to / Referencia adaptable a			0004308126																																			
	Operating pressure / Presión de trabajo			max. 10 bar																																			
	Stroke / Carrera			50 ± 2 mm																																			
	Permissible medium / Medio de funcionamiento			Air / Aire																																			
	Operating temperature range / Rango de temperatura			-40°C to / a +80°C																																			
	Weight / Peso			300 gr																																			
C																																							
D	Pneumatic scheme / Esquema neumático 																																						
E
