

	1	2	3	4																																																																				
A	Technical sheet / Datos técnicos:				A																																																																			
B	Part number adaptable to / Referencia adaptable a		4721950090																																																																					
	Supply pressure / Presión de alimetación		max 11 bar																																																																					
	Type of current / Tipo de corriente:		Direct current/ Corriente continua																																																																					
	Voltage / Voltaje:		24 V																																																																					
	Nominal current / Corriente nominal:		1.65 A																																																																					
	Permissible medium / Medio de funcionamiento		Air / Aire																																																																					
	Operating temperature range / Rango de temperatura		-40°C to / a +80°C																																																																					
	Weight / Peso		700 gr																																																																					
C					C

Port / Conexión	Function / Función	Thread / Rosca																																																																						
1	Supply / Alimentación	M22x1.5																																																																						
2	Delivery / Salida	M22x1.5																																																																						
3	Exhaust / Escape	-																																																																						
6	Connector / Conector	-																																																																						
E	Purpose / Propósito: Increase, reduce or maintain the pressure in the brake cylinders during a braking process according to the regulation of the ABS electronic control unit. / Aumentar, reducir o mantener la presión en los cilindros de freno durante un proceso de frenado según la regulación de la unidad de control electrónico ABS. Installation requirements / Requisitos para la instalación: To install the modulator with the exhaust port facing downwards. The modulator must be installed using two screws M8. / Instalar el modulator con el escape orientado hacia abajo. El modulator debe ser instalado utilizando dos tornillos M8.
