A	Technical sheet / Datos técnicos:							A																																																											
B	Part number adaptable to / Referencia adaptable a				4750100010			B																																																											
	Operating pressure / Presión de trabajo				max. 20 bar																																																														
	Outlet pressure (at a supply pressure of 7.5 bar) / Presión entregada (a una presión de alimentación de 7.5 bar)				5.3 bar																																																														
	Permissible medium / Medio de funcionamiento				Air / Aire																																																														
	Operating temperature range / Rango de temperatura				-40°C to / a +80°C																																																														
Weight / Peso				550 gr

1	Supply / Alimentación	M22x1.5																																																																	
2	Delivery / Salida	M22x1.5																																																																	
3	Exhaust / Escape	-																																																																	
E	Purpose / Propósito: To keep a constant and limited outlet pressure. / Mantener una presión de salida constante y limitada. Installation requirements / Requisitos para la instalación: To install the valve with the exhaust port facing downwards. The valve must be installed using two screws M8. / Instalar la válvula con el escape orientado hacia abajo. La válvula debe ser instalada utilizando dos tornillos M8.
