

1		2		3		4																																																												
Technical data / Datos técnicos:																																																																		
Type of contact / Tipo de contacto					Normally closed / Normalmente cerrado																																																													
Switch pressure / Presión de conmutación					5,2 ± 0,5 bar																																																													
Permissible medium / Medio de funcionamiento					Engine oil / Aceite de motor																																																													
Weight / Peso					90 g																																																													
Electrical scheme / Esquema eléctrico																																																																		
				Identification label / Etiqueta de identificación																																																														
Scale 3 : 2
