A	Technical sheet / Datos técnicos:			A																																																																																													
	Part number adaptable to / Referencia adaptable a		4528020070																																																																																														
	Supply pressure / Presión de alimetación		max 10 bar																																																																																														
	Test coupling / Conexión de test		No																																																																																														
	Vehicle / Vehículo		Trailer / Remolque																																																																																														
B	Integrated filter / Filtro integrado		No	B																																																																																													
	Permissible medium / Medio de funcionamiento		Air / Aire																																																																																														
	Operating temperature range / Rango de temperatura		-40 °C to / a +80 °C																																																																																														
	Weight / Peso		1020 gr
