

	1	2	3	4																																																												
A	Technical data / Datos técnicos:																																																															
	Type of contact / Tipo de contacto		Normally closed / Normalmente cerrado																																																													
	Switch pressure / Presión de conmutación		0,53 ± 0,10 bar																																																													
	Permissible medium / Medio de funcionamiento		Engine oil / Aceite de motor																																																													
	Weight / Peso		60 g																																																													
B	Electrical scheme / Esquema eléctrico		Identification label / Etiqueta de identificación																																																													
			Cojali reference Batch number  Country of production																																																													
			Scale 3 : 2																																																													
C																																																																
D																																																																
																																																																
E
